INDEPENDENT AUDITOR'S REPORT

To the Members of

ALMONDZ FINANZ LIMITED

Report on the Standalone financial statements

We have audited the accompanying standalone financial statements of **M/s ALMONDZ FINANZ LIMITED** ("the company"), which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, cash flow and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan

and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018 cash flow and its **Profit** for the year ended on that date.

Annexure - B to the Auditors' Report
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ALMONDZ FINANZ LIMITED ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements are prepared under the historical cost convention, in accordance with the Indian Generally Accepted Accounting Principles (GAAP), to comply with the accounting standards specified u/s 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, relevant pronouncements of the Institute of Chartered Accountants of India (ICAI) and the provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy either to in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in schedule III of the Companies Act, 2013. Previous year's figures have been regrouped/ reclassified wherever considered necessary. Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/ non-current classification of its assets and liabilities.

The company is a subsidiary of a company whose shares are listed on Stock Exchange. Accordingly the company has complied with the applicable Accounting Standards.

1.3 Use of Estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Examples of such estimates include provision for assets and estimated useful life of fixed assets. Actual results could differ from these estimated and the differences between actual results and estimates are recognised in the periods in which the results are known / materialized.

1.4 Current/ Non-current classification

All assets and liabilities are classified as current and non-current.

i) Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within 12 months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

ii) Liabilities

A liability is classified as current when it satisfies any of the following criteria.

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within 12 months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities includes current portion of non-current financial liabilities. All other liabilities are classified as non-current.

iii) Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

1.5 Fixed Assets

i) Tangible assets

Tangible assets are stated at the cost of acquisition or construction, less accumulated depreciation and impairment losses. Cost comprises the purchase price and any attributable costs of bringing the assets to their working condition for intended use. Borrowing costs directly attributable to acquisition or construction of fixed assets, which necessarily take a substantial period of time to be ready for their intended use are capitalised as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use.

Depreciation on tangible assets

- (a) Leasehold improvements are depreciated over the lease period as stated in the lease agreement or over the estimated useful life of the assets, whichever is shorter.
- (b) Depreciation is provided based on useful life of assets on Straight Line Method (SLM). The useful life of assets is taken as prescribed in Schedule II to the Companies Act, 2013.

ii) Intangible assets and its amortisation

Intangible assets are recorded at cost and are amortised over the period the Company expects to derive economic benefits from their use.

- iii) Advances paid towards acquisition of fixed assets and cost of assets not ready for use before the year end, are disclosed as capital work in progress.

1.6 Impairment

The carrying amounts of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not yet available for use, the recoverable is estimated at each balance sheet date. An impairment loss is recognized whenever the carrying amount of an asset or cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the statement of profit and loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization loss had been recognized.

1.7 Investments

Investments are classified into long-term investments and current investments based on intent of the management at the time of making the investment. Investment intended to be held for more than one year from the date such investments are made are classified as long-term investments. All long-term investments are classified as non-current investments in the Balance Sheet. The portions of long-term investments which are expected to be realised within twelve months from the Balance Sheet date are classified as current investments. Current investments are valued at lower of cost and market value, computed category-wise e.g. quoted shares, unquoted shares, government securities and non government securities/bonds. The diminution in current investments is charged to the Statement of Profit and Loss and appreciation, if any, is recognised at the time of sale. Long-term investments, including investments in subsidiaries, are valued at cost unless there is diminution, other than temporary, in their value. Diminution is considered other than temporary based on criteria that include the extent to which cost

exceeds the market value, the duration of the market value decline and the financial health of and specific prospects of the issuer.

- i) The cost is arrived at Average method and is inclusive of brokerage, transfer expenses & Demat Charges, if any. The fair value is arrived at with reference to the market value, if available, quotation in any stock exchange or any other available information to indicate a transaction between unrelated willing buyer & willing seller at arm's length price. Profit or Loss on sale of investment is determined on the basis of the weighted average cost method. On disposal of and Investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss
- ii) In case of unquoted investments, the fair value is arrived on the basis of break up value as per latest available audited balance sheet of the investee company.
- iii) Interest accrued and/or broken period interest paid on unsold securities is recognized as "Interest Accrued on Investment" under Other Current Assets.

1.8 Stock in trade

Securities acquired with the intention to trade are classified as Stock -in-trade. Stock-in-Trade of Securities is valued at lower of the cost or fair value. Cost is determined on First-in-First-Out (FIFO) basis.

1.9 Revenue Recognition

Revenue is recognized to the extent it is possible that economic benefits will flow to the Company and revenue can be reliably measured.

Income / revenue is generally accounted on accrual as they are earned except income from non-performing assets as defined in the guidelines of the Reserve Bank of India on prudential norms for income recognition of Non Banking Financial Companies & penal interest on delayed payments which are accounted for on cash basis.

The income is deemed as earned:

- a) In the case of loans advanced / interest bearing securities / deposits, the interest is recognized as earned on day to day basis. In case of interest on investments held as stock in trade, broken period interest on every purchase or sale is split from the price as accrued interest paid or realised. Such broken period accrued interest paid on purchase & received subsequently on its sale is netted and reckoned as income.

W *Signature*

- b) In the case of trading in bonds, the profit/ loss from the transaction is recognised on the closure of the deal and consequent physical delivery of the bond.
- c) Revenue on account of trading in shares is recognized on the basis of each trade executed at the stock exchange during the financial year.
- d) In respect of non delivery based transactions such as derivatives and intra day, the profit and loss is accounted for at the completion of each settlement, however in case of an open settlement the net result of transactions which are squared up on FIFO basis is recognized as Profit/Loss in the account.
- e) Advisory and consultancy services: Fees is booked on the completion of task / project as per the terms of agreement. However, where the percentage of completion is significant enough to ascertain the outcome reliably, revenue is recognised to the extent it can be accurately measured.
- f) Dividend income is recognized when the right to receive the income is established.
- g) In respect of other heads of income, the Company follows the practice of recognising income on accrual basis.
- h) Revenue recognised is net of service tax / GST wherever applicable

In case of uncertainties as to the risks & rewards, the conservative accounting policy is adopted by way of making suitable provisions for expenses and deferring the recognition of revenues.

1.10 Provision for standard and non-performing assets

Provisions for standard and non-performing assets are created in accordance with the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007. Further, specific provisions are also created based on the management's best estimate of the recoverability of non-performing assets.

1.11 Expenditure

Expenses are recognized on accrual basis and provisions are made for all known losses and liabilities. Expenses incurred on behalf of other companies, in India, for sharing personnel, common services and facilities like premises, telephones, etc. are allocated to them at cost and reduced from respective expenses.

Similarly, expenses allocation received from other companies is included within respective expense classifications.

1.12 Borrowing Cost

Interest on borrowings is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable on the borrowings.

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to statement of profit & loss account.

1.13 Earnings per share

Earnings per share is calculated by dividing the net profit or loss for the year (including prior period items, if any) attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Basic earning per share is computed using the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed using the weighted average number of equity and dilutive potential shares outstanding during the year, except where the results would be anti-dilutive.

1.14 Employee benefits

The Company's obligations towards various employee benefits have been recognised as follows:

(a) *Short term benefits*

All employee benefits payable/available within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus etc., are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

(b) *Defined contribution plan*

Retirement / employee benefits in the form of Provident Fund, Employee State Insurance and Labour Welfare are considered as defined contribution plan and contributions to the respective funds administered by the Government are charged to the Statement of Profit and Loss of the year when the contribution to the respective funds are due

(c) *Gratuity (Defined benefit plan)*

Gratuity is defined benefit plan. The present value of obligations under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

The obligation is measured at the present value of estimated future flows. The discount rates used for determining the present value

obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

(d) *Compensated absences (other long-term benefits)*

The Company provides for leave encashment based on actuarial valuation using projected unit credit method in respect of past service. In respect of compensated absences arising during the tenure of service, lying to the credit of employee as on the last day of financial year, subject to the maximum period of leave allowable as per HR policy of the company. The defined benefit obligation is calculated taking into account the pattern of an ailment of leave. The valuation of leave encashment benefit is done as at the balance sheet date by an independent actuary. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss. However, company does not en-cash compensated absences.

1.15 Provisions and Contingent Liabilities

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognise assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, asset and related income is recognised in the financial statements of the period in which the change occurs.

1.16 Current and deferred tax

Income-tax expense comprises current tax and deferred tax. Current tax expense is the amount of tax for the period determined in accordance with the income-tax law and deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written

up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

1.17 Segment Reporting

- a) Segments are identified by the management, keeping in view the dominant source and nature of risks and returns and the internal organization and management structure.
- b) Revenue and expenses have been identified to a segment on the basis of relationship to the operating activities of the segment.
- c) Revenue and expenses, which relate to the company as a whole and are not allocable to a segment on reasonable basis, have been disclosed as 'Unallocable'.
- d) Segment assets and liabilities represent assets and liabilities in respective segments. Tax related assets, and other assets and liabilities that are not reported or cannot be allocated to a segment on a reasonable basis, have been disclosed as 'Unallocable'.

1.18 Assets on Operating Leases

Lease payments under operating leases are recognized as expenses on accrual basis in accordance with the respective agreements.

1.19 Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.
