FAMILIARIZATION PROGRAMMES CONDUCTED FOR INDEPENDENT DIRECTORS

(During FY 2026–27, up to October 2026)

In accordance with good corporate governance practices, the Company maintains a structured orientation and ongoing familiarization framework for its Independent Directors. The programme is designed to provide comprehensive insight into:

- Board functions, roles, rights, and core responsibilities.
- The Company's strategic vision, operational framework.

Induction & Ongoing Engagement Process

- **Induction:** Upon appointment, new Independent Directors undergo an introductory session led by the senior management team. Directors appointed to Board Committees receive specific briefings regarding the functioning, roles, and responsibilities of the respective committees.
- **Operational Interface:** In addition to attending quarterly Board and Committee meetings, Independent Directors meet key functional and business heads separately to understand operational intricacies and emerging sector challenges.
